Frankie hybrid preamplifier (walnut or black)

Tube double triode hybrid preamplifier SRPP balanced design, zero feedback.

Shunt volume control with relay switched resistors.

Phono MM/MC with discrete Fet cascoded input design, passive RIAA.

2x XLR input, 1x RCA input, 1x PHONO input

1x XLR output, 1x RCA output

Android & iOS remote control App

€ 3.900,00

Frankie hybrid line preamplifier (walnut or black)

Tube hybrid preamplifier SRPP balanced design, zero feedback.

Shunt volume control with relay switched resistors.

2x XLR input, 2x RCA input,

1x XLR output, 1x RCA output

Android & iOS remote control App

Infrared remote control.

€ 3.600,00

Frankie MONOBLOCK (walnut or black)

Class A/B fully balanced design 150w/ch 8 ohm.

Auto power on incoming signal.

Touch sensitive power on/off (front stud), remote control power on/off

DC output protection, overload protection.

€ 4.920,00 / pair
